Notes:

1. Westland is the farm of Ned and Heidi Gumble, located in Historic Green Springs off of RT. 22. See directions on club web site.
2. Trail riders will be asked to make donations to the KHC Panel Fund, which is used to maintain the KHC trails and territory. Suggested donations per ride are \$10 for KHC Members (children under 18 are free) and \$15 for guests. (For the entire season, there is the option to contribute \$50 per member and \$75 for guests.) Note that the Joint KHC/FHC ride is separate, when all riders pay \$40.
3. Please note that guests are most welcome at all events! Riders will need to sign KHC waivers.
4. All trail riders are encouraged to bring snacks and drinks to share for after the rides, especially for the evening rides, which will constitute dinner for most!
5. Locations, times and directions for all rides will be posted on the hunt monitor (296-9405) in advance. In case the weather is uncertain, be sure to check the monitor for any changes or cancellations 2 hours before the published time.
